2. Find a title to borrow.

From the homepage, there are several ways for you to find a title to enjoy.

Select a cover image from any of the lists

Or click a link from the **Menu**

eBook Fiction	eBook Nonfiction	Audiobook Fiction	Audiobook Nonfiction	Kids & Teens	Featured Collections
All Fiction	All Nonfiction	All Fiction	All Nonfiction	Kids Fiction	New eBooks
Children's Fiction	Biography & Autobiography	Children's Fiction	All Nonfiction	Kids Nonfiction	New Audiobooks
Classics	Business & Investment	Classics	Biography & Autobiography	Teen Fiction	Always Available
Graphic Novels & Comics	Careers	Historical Fiction	Business & Investment	Teen Nonfiction	Trending Titles
View more...	View more...	View more...	Careers	View more...	All Collections...
			View more...		

Or **search** for something you want

You can quickly tell which titles are available and which ones you can place on hold by the format icon in the top-right corner of a cover image. If a title isn't available, the icon will be greyed out.

Available for checkout

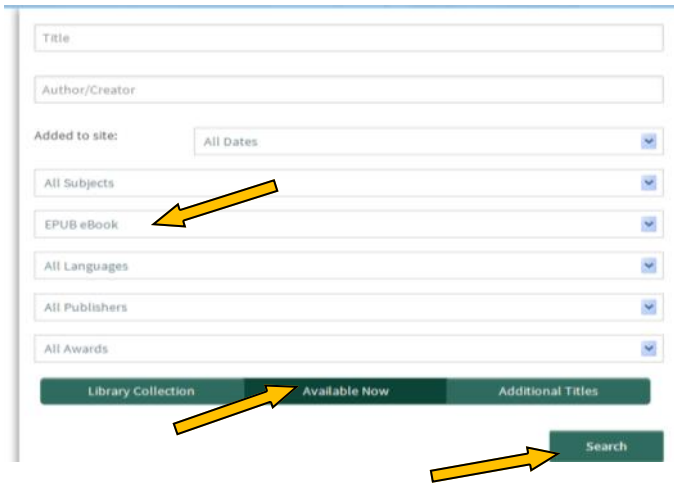

Unavailable, but can be placed on hold

If you would like to view only available titles, please go to the **Advanced Search** field.

Choose **EPUB (preferred format)** or **PDF** as your **Format** , click on **Available Now** and then click on **Search**.

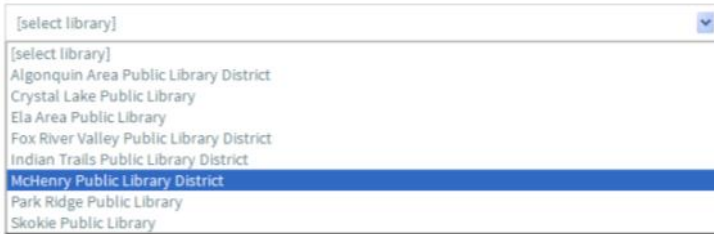

3. When you find the title you want click on the book cover and then click **Borrow**.

4. You will be prompted to sign in. Select **McHenry Public Library District** from the dropdown menu.

To sign in, please select your library from the list below.

A dropdown menu with a search box containing "[select library]". Below the search box is a list of library names: Algonquin Area Public Library District, Crystal Lake Public Library, Ela Area Public Library, Fox River Valley Public Library District, Indian Trails Public Library District, **McHenry Public Library District** (highlighted in blue), Park Ridge Public Library, and Skokie Public Library.

Type in your McHenry library card number and click **Sign In**. If you want to remember your login information check the box next to **Remember my login information...**

McHenry Public Library District

(If this is not your library, please [go back](#) and select again)

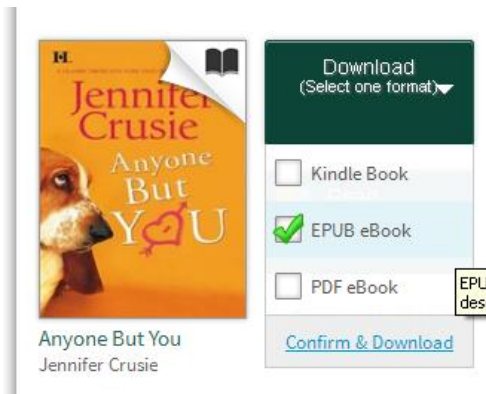

Library card number

22360000

Sign In

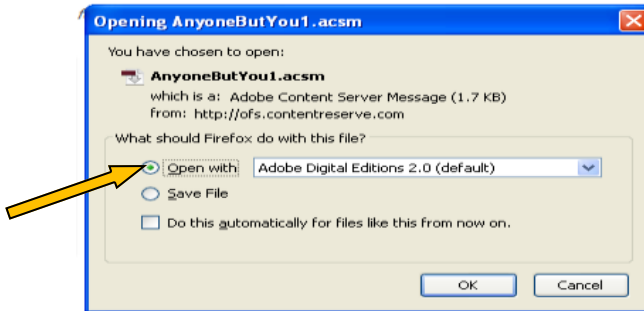

Remember my login information on this device.

5. Select **Download** and check the box next to **EPUB eBook (preferred)** or **PDF eBook** and then click **Confirm & Download**.

The interface shows a book cover for "Anyone But You" by Jennifer Crusie. To the right is a "Download" menu with the text "(Select one format)". It contains three options: "Kindle Book" (unchecked), "EPUB eBook" (checked with a green checkmark), and "PDF eBook" (unchecked). A small box labeled "EPU dest" is positioned next to the PDF eBook option. At the bottom of the menu is a "Confirm & Download" button.

6. Select **Open with** and **Adobe Digital Editions** in the dialog box that pops up. The file should be in .acsm format. Do not save file.

7. Adobe Digital Editions will open and your book will appear in the library. Click on **Library** to get back to the main screen

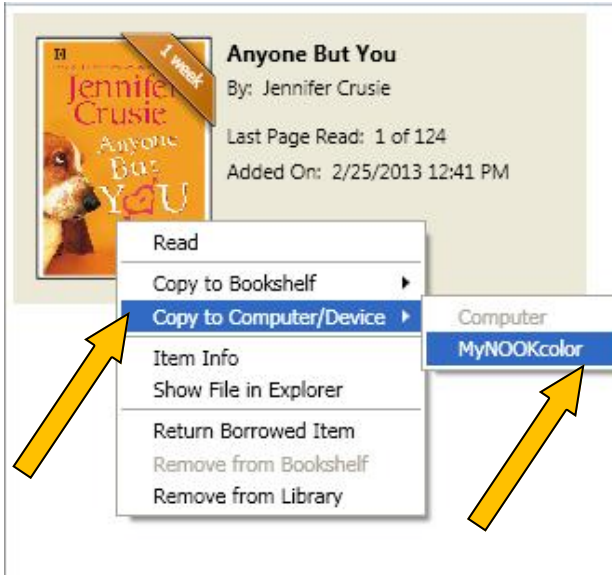

Step 3 : Transfer the eBook to your Device

1. In Adobe Digital Editions, under **Bookshelves** choose **All Items** (left hand side of screen). The Adobe Digital Editions library is then displayed. Make sure your device is connected to the computer via USB cable.

2. Right click on the eBook you want to transfer. From the drop down menus choose **Copy to Computer/Device** and then **choose the device** (in this case labeled as “MyNookColor”).

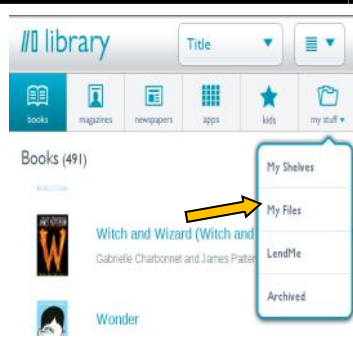

3. Transfer automatically begins and opens this dialog box. When the transfer is complete the 'Copy' dialog box closes.

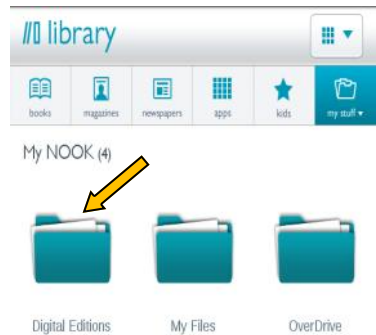

4. Disconnect the eBook device and enjoy.

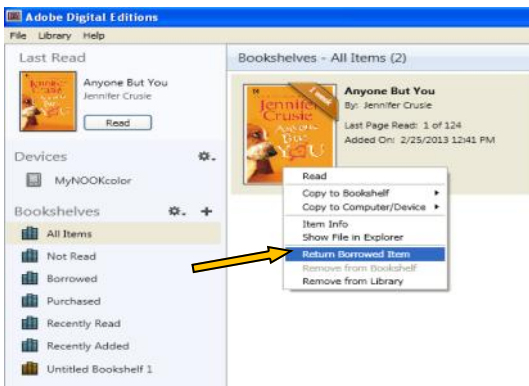

On a **Nook** device to find the OverDrive title you downloaded go to **My Library**, click on **My Stuff** and from the dropdown box choose **My Files**.

Choose the **Digital Editions** folder and then select the file with the title of the book you downloaded

To Return a Book early, in Adobe Digital Editions right click on the cover of the book you want to return and select **Return Borrowed Item**.
